

LONE STAR RANCH & Catering

Welcome
to the Lone Star Ranch!

For over 20 years Lone Star has provided specialized catering and event management services to large and small groups in the Ottawa area. In 1998, with demand for special events growing we opened the Ranch on 200 acres of land only 15 minutes from downtown Ottawa. Originally opened only for the Spring and Summer, the Ranch is now open year round and offers a wide variety of facilities and services for groups of 40 to 2000.

So whether it's a casual social evening, a true Texas style "Barn Burnin" Party, Corporate or Family Fun Day, Wedding, or a day of team building sessions, the Lone Star Ranch will have all your guests clamorin' for more.
